East Midlands Community Led Housing Conference

FREE Event - Funded by The Nationwide Foundation

ACRENetworkCLH

Event Overview

This event is intended to introduce and explore a range of Community Led Housing models. Central Government has recently committed over £60 million per annum to this sector to be used for Community Led Housing projects. The event will discuss the issues around Community Led Housing and highlight the benefits of different models in bringing affordable housing forward. Speakers to include local and national experts.

Sessions will cover:

What is Community Led Housing?

Community Led Housing in rural and city locations.

Details of the Community Led Housing Fund.

Different models for Community Land Trusts.

Benefits of attending:

Be aware of Government Policy, Funding and Options.

Chance to discuss recent developments in Community Led Housing?

Chance to hear about and compare different CLT models.

Ability to question experts in the field.

Opportunity to network with other professionals in the affordable housing area during the free lunch break.

Who should attend:

District and County Councils, Housing Enablers, Land Agents, Surveyors, Architects, Planners, Developers and other people involved in the promoting and planning of affordable housing schemes.

**Further information will be sent in June
and bookings can be made at: <https://emclhc.eventbrite.co.uk>**
